About the Game

Let a bunch of the underwater unique creatures guide you through an unexplored and charming depths in the Deep Sea slot. Created by BGaming, it's a stunning looking 5 reel, 15 payline online slot that comes with plenty of extras. They include free spins, which can be retriggered, bonus game with additional wilds tremendously increasing the winnings. Once you dive into this new title, you can enjoy the sea life at the same moment, welcomed by incredible cosmic music, atmospheric cave background and curious scuba-diver explorer. Enjoyable and lucrative game would be provided.

How to play

The game features win lines. Choose the bet size using the buttons in **Total bet** field. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin button.**

Auto play

Click the **Auto spins settings (A)** button to choose the number of rounds to auto play. Autoplay starts when you click the number of rounds and Autoplay button shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if bonus game is won - autospin will stop when the bonus game is won
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field
- If cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins** button

Features

Wild Symbol. Wild replaces any symbol in the line, thereby gives a player a higher chance of winning. The wild can't replace Scatter symbol. In the main game the role of Wild plays the Capture. In the bonus game the Capture changes to the Bubble.

Free Spins. 3,4,5 scatters in any part of the display start the free spins round. In the main game the role of Scatter plays the Camera. In the bonus game the Camera changes to the Angler Fish. Free spins can be retriggered.

- 3 Scatters = 10 free spins
- 4 Scatters = 12 free spins
- 5 Scatters = 15 free spins

Additional Wilds. The feature will be activated during the free spins bonus round in case 3 Scatters are caught. Scatters can be collected during several spins. Once 3 Scatters are collected the feature starts and adds 10 Wild symbols on the spinning reels in random order. The game scene moves deeper into the ocean collecting further Scatters. Each plunging into the water adds 10 Wild symbols, thereby increasing the possibility of higher wins. If 3 Scatters are caught during the last spin, then 1 free spin is added, during which 10 wilds will be added.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the paytable.
- Payline wins are multiplied by the bet per line value, except for Scatters.
- Note that only the highest win is paid on each of the active paylines.
- The spin can result in triggering free spins. Free spins are played at the same bet and lines as the round activating these spins

To learn the game payouts, click the **Information (I)** button and choose the Payments button.

Settings

The setting button opens a panel with game speed and volume settings.

- Quick spin - the speed of spinning reels increases
- Spacebar to spin (can be used instead of clicking the Spin button)

Here also are sound effects and background music settings:

- Volume adjustment, including its complete turn off
- Turning the music (using checkmark)
- Turning the sound effects (using checkmark)
- To play in the left hand mode on mobile devices, put the corresponding checkmark in the settings.

Return to Player

The overall theoretical Return to Player (RTP) is 94 %

RNG

The game is based on a certified random number generator. For more information, visit https://www.bgaming.com/.

Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every other day. If the game requires "Collect" - "Collect" will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet. This is the game rule version 1.0, dated November 20, 2019.

The Game Rules as published on this website are in English. Translations into other languages are provided as a service in good faith. In the event of ambiguity between an English version and a translation, the English version always retains priority.
