

# Jogo Do Bicho

## Description

Brazilian 'Jogo do Bicho' meaning the Animal Lottery was born in a small zoo on the outskirts of Rio de Janeiro a long-long time ago. It is played right up until today, and in many ways became a part of the Brazilian culture. Today there are a lot of different ways to win, but the basic concept remains the same even playing online. Jogo do Bicho is engaging by a few reasons: you can bet on any amount of money, winning bets have great prizes!

## Rules

The objective of the game is to guess the draw of the chosen animals or numbers.

## Betting

There are two different kinds of bets:

**Bets on animals.** The bet on only one animal is called **simple**, on two animals at a time **double**, on three animals **triple**.

**Bets on numbers** The combination of numbers can be chosen in the advanced mode. Each animal has a sequence number. Each animal represents a bet on tens, hundreds, thousands. The player can bet on the two last numbers **ten**, three last numbers **hundred** or the entire number **thousand**. Numbers are displayed beside the animals in the draw. If the winning numbers correspond to the creature, the player receives a cash prize.

Choose the bet value in the bottom panel using < and > buttons. When the maximum amount is reached, the > button becomes disabled. When the minimum amount is reached, the < button becomes disabled. Choose the animal or number. Click **Play** button. **Balance** is displayed at the bottom. By clicking the **Random** button animals or numbers will be chosen automatically in the random way, depending on the chosen mode. **Clear** button allows to delete all the bets before playing. Push the button **Rebet** to repeat the bets that have been made before. **Lock** button allows to save and remember the bets for any time, until the **Clear** button, **Unlock** button are

pressed or new bets are added/deleted. If in this mode new combinations are added - **Unlock** button activates (chains vanish). To save new bets - press **Lock** again.

To see the history of bets and winnings press the **History** button in the right part of the field.

Malfunction voids all plays and pays! All unfinished rounds will be terminated every other day. If the game requires “Collect” - “Collect” will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet.
